

I'm written this because i'm an OG you know old school and I need my oldies stations soul street. Every since they came out with xm satelite.I'm been listening to the groove station and soul street. I have other family members that enjoy xm satelite, so to make a long story short leave my xm satalite on because it is the future, i'm the future so if you have any questions about anything I have stated here don't hesitate to contact me.
